

Corporate Genie

— Answers that power your business —

For Small & Medium Businesses

AI that knows **your business**

Turn your company's information into clear answers,
faster work, and better decisions.

Corporate Genie connects your documents, systems, workflows,
and business knowledge so your team can ask questions and
get the right answers fast.

Find answers fast

Ask one question and
get clear answers from
your files, systems, and
company knowledge.

Built for every team

Sales, finance,
operations, and leaders
get answers that fit
their role.

Trusted and controlled

Corporate Genie
respects permissions,
processes, and
company rules.

ALL YOUR BUSINESS KNOWLEDGE
